For

**EQUIPMENT LEASING SERVICES & SUPPORT**

2016

## You Have a Choice

As an equipment leasing professional you can elect to continue originating AND servicing leases, or choose JDR Solutions to handle your back-office tasks. Make the business-wise and profit-growing choice: JDR Solutions!

## Meet The Candidate

JDR Solutions manages the lease portfolios of banks, manufacturer captives and independent lessors.

Founded in 2001 in Indianapolis, Indiana, JDR employs full-time staff in

both Indy and Toronto, Canada.

JDR's broad range of professional

services can meet most lessors' needs.

JDR has a longstanding relationship with International Decision Systems to license and host InfoLease® and Rapport®, the equipment leasing industry's top management software.

**JDR Solutions was established on traditional business values.**

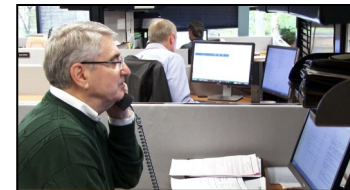

## The Issues

★ **Experience:** JDR Solutions is highly qualified to handle your lease portfolio management and support needs. Our staff has more than

400 years of experience in lease servicing, banking, database administration, website construction and information technology.

★ **Knowledge:** You need a partner who understands the challenges of private label invoicing, cash application, collections, contract modification and

lease accounting, as well as custom Web portals

and InfoLease® and Rapport®. JDR Solutions is a proven leader in those areas, and more!

★ **Customer Service:** Clients know they can trust JDR Solutions to get things done. We listen and work tirelessly to structure solutions that meet their needs.

★ **Data Security:** JDR Solutions promises to keep your data safe. Our “6+2” redundancy, exceptional Recovery Time and Recovery Point objective levels, and maximum firewall settings, protects your data against any threat.

★ **Accountability:** Elect to hire JDR Solutions and you’ll receive responsible, ethical service. We comply with AICPA Service Organization Control SOC and SOC 2 requirements for financial and operational integrity, and meet Federal Deposit Insurance Corp. auditing standards.

★ **Affordability:** Effective lease management shouldn’t tax your budget. When you select JDR Solutions as your service provider you get to keep more of your hard-earned dollars.

**JDR Solutions stands on its record of best-in-class service to the equipment leasing industry.**

## Endorsements

JDR Solutions is proud to serve and be supported by such notable equipment lessors as AIG, Bank of America, Cargill, MetLife, Motorola, Snap-on Tools, Transamerica, Vermeer and Xerox. Here’s what some supporters have to say:

- ★ **Bruce Chafin, MAX LeasingUSA:** “The service that JDR has provided has helped us control our initial start-up and continuing overhead costs.”
- ★ **Martha Weissert, STAR Financial Bank:** “We’ve been thoroughly satisfied with their service, and the people there are extremely helpful.”
- ★ **Larry Wegener, Komatsu:** “They did some Web development for us, to present to our customers their account information and, most importantly, process payments. It’s a huge administrative savings. We depend on them.”
- ★ **Terra Watkins, Farm Credit Mid-America:** “I could not do my job day to day without JDR.”

**JDR Solutions is the clear choice for your lease service/support!**
